

Fire Safety Awareness - 1 Hour Training Course

You have a legal requirement to train all your staff in General Fire Awareness, yearly and at induction to be legally compliant, so here is **Swan Fire's** solution to ensuring that you are in control with minimum fuss and minimum cost.

Course Aim:

To build knowledge on the nature and causes of fire and how to evacuate in accordance with your companies fire safety policy on hearing the alarm or discovering a fire. To gain knowledge on the different types of fire extinguishers and what type of fires they are used on.

Course Contents Include:

- Explanation on how fire starts, develops and travels
- The immediate effects of smoke and fire
- Your emergency response and evacuation procedures
- Your premises fire safety features
- Full explanation of extinguisher types, their uses and limitations
- Complimentary chocolate gift and colour printed course handout for all delegates

Course Costs:

At your premises for up to 30 delegates for the all inclusive price of
£295.00 plus VAT

Add on a half hour Fire Extinguisher Practical, where all the delegates will receive a go on at least one type of fire extinguisher on a controlled live fire and gain understanding and visual clarification on the three most common types of extinguisher; Water, Foam and Co2 and their use and limitations - this is a brilliant extra to build confidence, re-enforce learning and add a bit of extra fun to the course!

Total cost for the above 1 ½ hour Fire Awareness with Extinguisher Practical Course £395.00 plus VAT
