

Fire Risk Assessment Half Day Training Course

This is the most essential part of your Fire Safety Management system, hence it is a legal requirement to produce a Fire Risk Assessment for your business, so here is **Swan Fire's** solution to ensuring that you are in control with minimum fuss and minimum cost.

Course Aim:

To enable you to meet your legal obligations of producing a compliant Fire Risk Assessment for your premises, by providing you with knowledge of a fire risk assessment process and supporting guidance to enable you to complete a template risk assessment document on return to your work place and know where and when to seek additional assistance.

Course Contents Include:

- Explanation of a complete Risk Assessment Process in line with current legislation, guidance and best practice
- A risk assessment process that satisfies the expectations of Fire Safety Officers from your local Fire and Rescue Service
- Knowledge of what competencies are required for Risk Assessors
- A logical step by step approach to learning Fire Risk Assessment
- Advice on typical control measures used to reduced fire risks
- A complete template fire risk assessment document emailed to you or provided on CD for your use on return to work

Course Costs:

£95.00 per person plus VAT held at one of our luxurious locations around Oxfordshire chosen to avoid the traffic!

or at your premises for 4 -15 delegates for the all inclusive price of £545.00 plus VAT

Phone: 01993 892000 to book or visit our Website: www.swanfire.co.uk
